SERVICES THAT ARE INCLUDED IN OUR PRIMARY RATE

Bethel Assisted Living is proud to proclaim that we provide a comprehensive and unusually high assortment of resident orientated services within our primary monthly rate. A detailed description of these services are as follows:

BASIC SERVICES

- * We provide twenty-four hour staffing. Bethel's caring and compassionate staff is carefully selected for their skill and a genuine desire to care for and interact with seniors.*
- * Each unit includes a call system within each room including the bathroom. Individual pendants are available for additional assurances and peace of mind.*
- * We place heavy emphasis on our residents dining experience by furnishing three full delicious and healthy meals prepared daily by our chef.*
- * Daily housekeeping and laundry service is provided.*
- * Scheduled transportation is provided for medical and dental appointments.*
- * Meal reminders by our staff occur for each meal. Tray service is provided under special circumstances.*

ACTIVITIES

We are proud of our activities program. We strive to provide a dynamic, fulfilling, and well rounded environment. We are strong believers in making each resident feel special.

Our in-house programs include a variety of table games, trivia, birthday and specialty celebrations, informative speakers, spiritual services and classes, social gatherings. We provide a setting for a variety of clubs such as needlework, library-book, bridge, etc...

With access to two large buses, our residents participate in a wide selection of community outings such as open transportation, grocery shopping, movies, casino trips, restaurant outings, concerts, plays, museums, picnics, scenic drives, and other special events.
